

NEWS ABOUT THE CLUBROOM

At our last General Committee Meeting on 14th November it was decided that the clubroom fee should go up from £1.50 to £2.50. This may seem a big jump but for several years we have kept the price low as we considered that people would be discouraged from attending if the price was raised.

We now realise that the entry fee should go up as the costs are going up and we need to try to make the fees cover the costs of the room.

The Quaker Meeting House, at 22 School lane, Liverpool 1, is a friendly, safe and clean place to come and book your walks, meet your friends and listen to our speakers who are often members telling of their walking experiences.

Of course this is where people can come and find out about the Ramblers and join us. Other members are here to help you book walks and advise you about what you need to go walking. It is not a public house, there are pubs in the vicinity if you need to go for a drink afterwards but as there are a lot of single women wanting to join; it is felt that this is not a threatening venue for any new person to attend.

The clubroom is there for Ramblers past, present and to be, why not come down and see us?
